Followings are the important action points reiterated by JS, RL which need attention of SRLMs.

1. **Human Resource:** Farm Livelihoods interventions are being implemented under NRETP, organic farming, MKSP, value chain projects & SRLM-Annual Action Plan. Engagement of dedicated human resource is critical for timely completion of the activities. Hence, SRLMs have to ensure recruitment and engagement of dedicated human resources at State & Block level for farm livelihoods activities for NRLM, MKSP & NRETP. Various advisories related to human resource and project-specific approval may be referred for this purpose. A separate HR advisory has been shared with thirteen NRETP States which may be referred for recruitment/engagement under NRETP.

All States have been requested to share detailed on the Human Resource details recruited/engaged by SRLMs for farm livelihoods interventions. Only 12 States/UTs (Daman & Diu, Haryana, Meghalaya, Nagaland, Puducherry, Punjab, Rajasthan, Sikkim, Tamilnadu, Tripura, Uttar Pradesh & West Bengal) have shared the HR data. Rest States/UTs are requested to HR share the data at earliest.

- 2. Orientation cum induction of newly recruited staffs: NMMU has developed a five days modules for orientation-cum-induction training for newly recruited staff engaged by SRLM for farm livelihoods intervention. The training is being imparted by selected National Resource Persons. Many states like UP, Chhattisgarh, Haryana, Himachal Pradesh & Uttarakhand have started induction training of their staffs. All states who are recruiting staffs under farm livelihoods may ensure the orientation of their newly recruited staffs.
- 3. **NRETP implementation:** For the implementation of value chain activities under NRETP projects, States have to take Technical Support Agency on board from the very beginning of the project.
- 4. A call down list of six (6) Technical Support Agencies has been shared with SRLMs to support the States on value chain interventions. States taking up value chain initiatives may initiate the hiring of Technical Support Agencies by following due procedures.
- 5. Value Chain Interventions by States:

- a. As per the information from SRLMs, a total of 131 number of Producers Enterprise have been promoted till March 2019. All States have been requested to share the information on the Producers Enterprise promoted in the template shard. States are also to share the information on the extent of support given to these Producers Enterprises promoted in the State. Letter with format in this regard sent to all States on dated 24th July 2019. The information may be submitted to the ministry by 15th September 2019.
- b. As per the observation of Chairman of the Empowered Committee, convergence with Animal Husbandry department is to be ensured for all the Dairy value chain projects sanctioned to States (Bihar, Madhya Pradesh, Rajasthan, Uttar Pradesh). States may submit reports on their initiative in this regard.
- h. Lack of adherence to MKSP project conditions as per the sanctioned orders: As per the sanction letter issued on MKSP all PIAs including SRLMs have to adhere to some conditions. All SRLMs may ensure this adherence. SRLM should strictly comply with the conditions given in the sanction order, approved proposal & any specific comments of the Empowered Committee. As per the direction of Secretary (RD), all the projects under MKSP has to be completed as per the sanctioned timeline. No further extension will be given to SRLMs for the extension of time. Therefore, SRLM should complete all the MKSP projects within approved timeline and send the completion report to this Ministry. The SRLMs are requested to share the plan of action for completing the project on time.

QPRs of all the MKSP project should be sent on time

6. Organic Cluster:

- State missions should take the Regional Councils on board and take the technical support in rolling out organic farming activities. As per information, only six States namely Jharkhand, Madhya Pradesh, Maharashtra, Telangana, Tamilnadu and Kerala have taken Regional Council on board.
- SRLMs may prepare MKSP proposal in partnership with TSA for promotion of organic cluster.
- Organic clusters should be promoted in the areas already under implementation of MKSP or areas where SRLM has implemented farm livelihoods initiatives for promotion of agroecological practices
- Formation and registration of Local groups in PGS portal should be taken up for organic certification process.
- 7. **Livelihoods MIS:** Quality data would be critical to justify the interventions in any project, hence a detailed and clear protocol on data collection and interpretation is to be prepared and implemented. SRLMs are to complete uploading complete profiles of Mahila Kisan, livelihoods CRPs (Krishi Sakhi, Pasu Sakhi, Van Sakhi, Udyog Mitra etc.), Producers Group. State who have their own MIS should coordinate with MIS and farm livelihoods team of NMMU for data sharing in prescribed database structure. Further, MIS update will be non-negotiable for release of installment and closure of the sanctioned projects.
- 8. **Knowledge Management:** Knowledge Management is very important for wide publicity of the program being implemented under DAY-NRLM. Hence, all States should give focus on knowledge management. Best practice documents, if any developed by SRLMs (print & AV format) since April 2018 may be shared with NMMU.
- Livelihoods CRP Certification through MANAGE: DAY-NRLM has assigned the task of third party assessment of Livelihoods CRPs to MANAGE, Hyderabad. MANAGE is going to implement the

- initiative in the country, starting with a pilot in Maharashtra and thereafter in all States. All States are requested to support MANAGE during the implementation for the initiative.
- 10. Convergence: SRLM may give focus on convergence with MGNREGA, as per the advisory issued from the Ministry of RD, "for plantation (for tasar based livelihoods), creation of community infrastructures like storage shed for Custom Hiring Centres, go-downs for Producers Groups / Producers Companies, sheds for milk collection centres, shed/storage units for tasar interventions etc." An advisory in this regard issued by Secretary, MoRD in December 2017 may be referred.
- 11. New proposal or next installment for MKSP project should be submitted to the Ministry by end of December 2019.
- 12. **CRP Conclave**: CRP conclave is scheduled from 19th to 20th of September, 2019 at BP PAL Auditorium, PUSA, New Delhi. All SRLMs were requested to participate in the event. The representatives should include 3-4 CRPs, SPM Livelihoods & Knowledge management besides CEO/SMD of the SRLM.
- 13. **Training on value chain:** A training on value chain is planned at NIRD, Hyderabad from 4th to 7th of September, 2019. All States were requested to participate in the same.
- 14. **Monitoring & Evaluation:** Independent evaluation of MKSP has been taken up and SRLMs may extend all support for the same.

Followings are the day wise State wise discussions and decision for further necessary action by proper quarter:
